

## Vision and Ethos Statement

**Our vision is to create an outstanding, flagship school serving our local community, unlocking and developing the potential of all our wonderful children.**

- Archbishop Courtenay Primary School is a multi-culturally inclusive school where the distinctive Christian values form the main focus of our religious teaching.
- Children from all faiths, and none, are welcomed into our school family.
- Our school is committed to safeguarding and promoting the welfare of children. Above all, there is a passionate desire for every child to achieve their very best in their academic, social, physical and spiritual development.
- It is most important to see our pupils enjoying school, attending regularly and behaving exceptionally well.
- Our intention is to join the community together, raising standards and aspirations and helping children to live and work in a culturally diverse society.
- We are committed to following Fundamental British Values.
- Our work reflects the vision and ethos of the Diocese of Canterbury Academies Trust (Aquila). Its mission, aims and ethos can be viewed on the Aquila website [www.diocant-aquila.org](http://www.diocant-aquila.org).
